TA: Scott Zrebiec
Help Room hours: Friday 1-3pm
Email: szrebiec@math.jhu.edu

Text: "The Way of Analysis-" by Robert S. Strichartz

Grading
Midterm exam 40%
Final exam 40%
Homework sets 20%

Exam dates
Midterm exam - Monday, October 23, 7-9pm LOCATION: AMES 219
Final Exam - Monday, December 18, 2-5pm

Homework sets: Homework sets are collected at the beginning of class Tuesday.
No late homework sets will be accepted. Study groups are encourages, but each individual must write out their own solution set.

Exam: No make-up exam will be given. This is the department policy. If an exam is missed with a valid excuse, the grade for that exam will be a weighted average of the final exam. The grade for an unexcused exam will be zero. The Academic Advising Office must provide a letter for an absence to be excused. Exams are closed book, closed notes.

Accommodations for students with disability: If you are a student with a disability or believe you might have a disability that requires accommodations, please contact Ms. Peggy Hayeslip, Associate Director for Disability Services at 410-516-8949 / (TTY) 410-516-6225 / phayeslip@jhu.edu to discuss reasonable and appropriate accommodations.

Ethics guideline: The strength of the university depends on academic and personal integrity. In this course, you must be honest and truthful. Ethical violations include cheating on exams, plagiarism, reuse of assignments, improper use of the Internet and electronic devices, unauthorized collaboration, alteration of graded assignments, forgery and falsification, lying, facilitating academic dishonesty, and unfair competition.
